

The North Hi Mount Elementary PTA sincerely requests your generous support for our 11th Annual Walkathon, taking place Friday, October 11th, 2024. This year our fall fundraiser emphasizes the theme **"NHM ♥s ME."**

As a valued local business within our neighborhood, you understand the significance of a vibrant community. Sustaining and enhancing the well-being of our community requires us to make meaningful investments in our youth. Unfortunately, the current allocation of federal and local funds to North Hi Mount falls short in delivering the necessary resources and opportunities our children warrant. Beyond just financial support, your contributions play a pivotal role in nurturing both the physical health and overall well-being of our young students.

The Walkathon is our school's **Blue Zones-approved** fundraiser. Rather than traditional food based sales, such as selling candy bars, our students raise money to promote the well being of themselves, school, family, and community. A healthy community is a more successful community.

**Our 2024 Walkathon Fall Fundraiser Goal is \$15,000.**
